**GOVERNMENT’S POSITION WITH REGARD TO DEFENDANT’S
LETTER MOTION FOR DIRECT HOME CONFINEMENT UPON
RELEASE FROM BOP**

COME NOW the United States of America, by its attorneys, G. Zachary Terwilliger, United States Attorney for the Eastern District of Virginia, and Brian R. Hood, Assistant United States Attorney, responding to the Defendant’s Letter Motion requesting that the Court recommend to the Bureau of Prisons (BOP) that the defendant be allowed to move to direct home confinement rather than a residential reentry center (RRC) upon his release. (ECF No. 23).

The United States received information today from the defendant’s BOP case manager, Jason Courtney, that the defendant is now qualified for the Covid-19 Home Confinement placement, and further that a request has been made through the Baltimore Residential Reentry Office for the defendant to be placed on home confinement on May 13, 2020.

In summary, while the government does not oppose the defendant's letter motion request, it now appears to be moot.

Respectfully submitted,

G. ZACHARY TERWILLIGER
UNITED STATES ATTORNEY
